Harbour half day + Barra Farm \$250 p/p (5hrs)

Pressed for time and want to see what Darwin harbour has to offer? We offer what no one else can. We will tailor your half day to suit you, from chasing the elusive harbour barra, bouncing the bottom for our powerful reef fish or simply just taking in the harbour sights, looking for crocs, dolphins, turtles and capturing the iconic top end sunset. During this half day charter we will cruise up Darwin's largest harbour arm to Barramundi Adventures Darwin, where we will stop for refreshments and try our luck in our fully stocked barramundi ponds. (The odds are good, trust us!)
